

sdmay23-14: Mobile Vehicle Cybersecurity Using a Secure Bridge

Week 4 Report

October 15 – October 21

Team MembersJosue Torres — *Member*Ryan Campbell — *Member*Cody Stricker — *Member*Levi Jansen — *Member*Drake Ridgeway — *Member*Riley Lawson — *Member*Ryan Scehovic — *Member***Summary of Progress this Report**

During this period, we have submitted multiple documents and have completed our first lightning talk. We have started on an encryption program, other than that, nothing else to report on.

Pending Issues

Nothing, haven't done much programming as of yet.

Plans for Upcoming Reporting Period

Our upcoming plans is to start with the encryption program and go from there
