sdmay23-14: Mobile Vehicle Cybersecurity Using a Secure Bridge
Week 9 Report
November 28 - December 2

Team Members
Ryan Campbell — *Coordinator / Developer*
Ryan Scehovic — *Coordinator / Developer*
Riley Lawson — *Developer / Tester*
Drake Ridgeway — *Developer / Researcher*
Levi Jansen — *Developer / Tester*
Josue Torres — *Developer / Researcher*
Cody Stricker — *Developer / Tester*

Summary of Progress this Report
Worked on presentation for our faculty meeting, final detailed design document, met with advisor for feedback on progress and presentation thus far (not finished with presentation at time of meeting with advisor, but got valuable feedback).

Pending Issues
Need to finish setting up simulation for presentation

Plans for Upcoming Reporting Period
Finish simulation for presentation on Tuesday, and present. Finish all individual assignments on Canvas regarding Senior Design.
